RE: SUBMISSION OF CORRECTED DISSERTATIONS/THESES AFTER VIVA VOCE

It has come to our notice that a number of you have difficulty in interpreting Kyambogo University Graduate School Guidelines (2019) regarding the duration upon which candidates who have defended their dissertations/theses can submit the corrected copies of their dissertation/theses to the Directorate of Research and Graduate Training

Please note that the Guidelines provides for the following:

- i. 80% - Pass without correction to submit immediately
- ii. 70%-79%- Pass with minor corrections to be submitted within 3months
- iii. 60%-69% -pass with major corrections to be submitted within 6months
- iv. 60% \geq pass dissertation but fail to defend(Reappear before the panel after 3months)
- v. \leq 60% does not reappear for defense but counseled by Dean of Faculty/ Schools for Masters and Director for PhD students and resubmit within 6 months

This is therefore to advice that the indicated timeframe for each category is indicative and ranges from a minimum to a maximum in each categories as long as evidence can be produced that the correction has been done to the satisfaction of the examiner / overseer.

Please note that it is not acceptable for any student to submit the book within a period less than 3/4 quarter of the recommended time.
